

Dear Friend of Godfrey Daniels,

In 2026, Godfrey Daniels proudly celebrates 50 years of music, storytelling, and community—a milestone that reflects not only longevity, but a lasting cultural impact in the Lehigh Valley and beyond.

For five decades, Godfrey Daniels has been a place where every ticket feels like a backstage pass—an intimate listening room where artists and audiences connect in a way that is increasingly rare and deeply meaningful.

To honor this golden anniversary, Godfrey's has begun a yearlong celebration that extends beyond our legendary 80-seat room and into the community.

Included are:

The Jubilee Concert — Foy Hall, Moravian College

The hallmark event is the 50th Jubilee Concert on May 23 featuring acclaimed Americana duo Larry Campbell and Teresa Williams and their quartet. The duo has collaborated for 40 years, a journey that includes working with superstars such as Levon Helm and Bob Dylan. The unforgettable evening will bring together supporters, artists and community leaders.

Godfrey Daniels Presents: The 50th Anniversary Series, Live at the IceHouse

This special four-concert series at the Charles A. Brown IceHouse in Bethlehem kicked off March 21 with a rousing performance by Bakithi Kumalo & The South African All-Stars. Additional IceHouse performances are scheduled for: Friday, July 10, Friday, Sept. 11, and Friday, Oct. 16. Ralph Stanley II and the Clinch Mountain Boys are scheduled for Sept 11. Please stay tuned for additional announcements.
